

Empowering Leaders for the Digital Age!

Join Us in Shaping the Future of Leadership

The E(U) Leaders Project mission is to meet the new era of leadership, equipped with digital tools and e-leadership skills. We encourage you to explore our published project results and join us in this transformative journey. Together, we are shaping the future of leadership, one innovative step at a time.

The E(U) Leaders Project aims to empower entrepreneurs, employers, leaders, managers, VET trainers, mentors, and educators with the e-leadership skills necessary to navigate virtual working environments effectively.

The "e-learning platform for Leaders.", is released! This platform serves as the core component of our project, designed to support current and aspiring leaders and educators on their continuous learning and development journey. It is a dynamic resource that provides access to cutting-edge knowledge, tools, and a thriving virtual community of like-minded individuals. We are thrilled about the profound impact this platform will have on the leadership landscape and invite you to explore it, engage with fellow leaders, and leverage its resources to enhance your leadership skills.

After successfully completing the e-learning platform, users will get a free of charge certification. The certification of e-leadership skills that will be acquired is based on ISO/IEC 17024:2012.

We keep on meeting online every two weeks...
we keep on rolling!!

What's up next?

Unveiling the Project's Impact

Multiplier Events in partners' countries.

We are thrilled to announce that in the next couple of months, a series of exciting Multiplier Events will be taking place in Portugal, Greece, Cyprus, Germany, the Netherlands, and Slovenia.

Final Conference in the Netherlands.

These events are poised to showcase and amplify the project's impact, serving as platforms to disseminate knowledge, share experiences, and engage with a diverse audience.

Our Multiplier Events and Final Conference are designed to bring together stakeholders, partners, experts, and the wider community to explore the project's results and valuable insights. Whether you are a leader, an entrepreneur, an educator, or simply interested in the project's mission, these events will provide an opportunity to participate in discussions, workshops, and presentations that promote knowledge exchange and collaboration.

Transnational Project Meeting in the Netherlands.

Our next Transnational Project Meeting will be held in the Netherlands. Stay tuned to learn more about it!

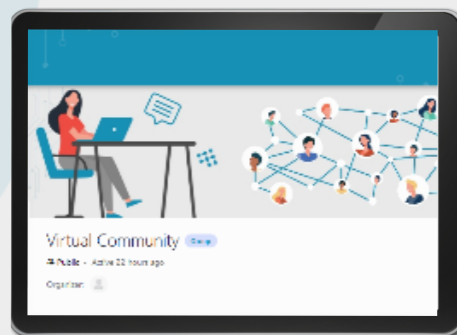

Explore our released multilingual project results!

e-learning platform for Leaders

The e-learning platform is a core component of the project since it supports existing and would-be entrepreneurs / employers / leaders / manager and VET trainers / mentors and educators' ever-growing educational and development needs.
